Navigating to and around the Library Web Site

To navigate to the Library’s homepage from the Friends University homepage http://www.friends.edu follow these steps: 1) Click on “Library” on the lower right of the University’s homepage. 2) Click on “Catalog and Databases” on the left. This takes you to FriendLiCat, the Library’s online catalog. This page serves as the Library’s homepage. 3) On the left side enter keywords to search for books, CDs, and DVDs that the Library owns. On the right side in the “Library Info” area click on links that give you information about the Library and access to library resources and tools like databases for articles.

If you need help, call the library at 316-295-5880 (800-794-6945 x5880) for immediate assistance.
